RIYA CHEST OF DRAWERS

We hope you love your purchase, however if you aren't completely happy,
please retain your packaging to ensure its safe return

RIYA FURNITURE RANGE

Riya has been lovingly handmade by artisans in Jodhpur, India
Due to this, each piece is unique and variations in colour and finish may occur

MANGO WOOD & MDF

The framework is made from mango wood. This is local grown and harvested in India
The drawer base and side panels are made from MDF

RESIN INLAY

The inlay in this product has been handcrafted in resin by highly skilled
craftspeople in India, using traditional techniques
The resin is cut and placed by hand
Variations may occur

CARING FOR YOUR FURNITURE

To keep your furniture happy, make sure you keep it dry
Do not place in front of a radiator or in sunlight and avoid direct heat
Similarly, do not place it outdoors or in any moist environments

Take care when moving your furniture, do not drag as this may weaken the joints and construction

Max weight 40kg

Drawer 8kg

Ensure weight is evenly distributed

Take care not to overload

Keep away from fire

Be sure to use a coaster for your cup of tea

Not suitable for children's rooms

Domestic use only

CLEANING

Wipe with a damp cloth, followed by a soft dry cloth
Any spills should be wiped dry immediately to avoid discolouration and staining
Avoid abrasive cleaners

Retain this information for reference

ANTI-TIP KIT

Please use the anti tip kit provided for safety. Please ensure the correct fittings are used for the chosen wall substrate:

ASSEMBLY

1. Mark the location of the hole on the wall using bracket approx 1" below the top of furniture. Predrill the holes at marked location & insert wall plug. Align bracket onto wall plug & secure using long screws.

2. Move the furniture to its final position against the wall and mark the location of the wall bracket on the back of the furniture. The bracket that attaches to the furniture must go into the solid wood piece at the top, not into the thinner back panel. Move the furniture away from the wall and place a bracket on the mark. Mark and drill holes for the screws using a 3/32 drill bit. Attach the bracket to the furniture using the short screws.

3. Move the furniture to its final position and align the bracket on the furniture with the bracket on the wall. Thread the strap through the bracket as shown, and tighten until snug. Do not over-tighten.

IMPORTANT

Check that the wall bracket is firmly screwed into the stud, the furniture bracket is firmly attached to the frame, and the strap is snug.
