

OLIVER BONAS

AZUL STRIPE WALL MIRROR

We hope you love your purchase, however if you aren't completely happy please retain your packaging to ensure its safe return.

Each piece has been individually handcrafted by Indian artisans to create a unique mirror. Variations may occur.

This mirror is lovingly handcrafted using a mixture of bone and resin. The bone in our products come from buffalo and is a byproduct which helps to ensure that no part of the animal is wasted, and no animals are slaughtered for this process. Ethical practices are followed when gathering remains of animals that have died naturally, or it is sourced as a byproduct from other industries.

Wall fixings are not included with this mirror.

Always remember that wall fixings should be selected according to the type of wall and weight of item to be hung

We recommend seeking professional advice before selecting fixings.

For extra care check the mirror periodically to ensure fittings are secure.
