CARING FOR YOUR UPHOLSTERED FURNITURE

To ensure that your upholstered furniture is kept in pristine condition, lightly vacuum (low power, avoid high power suction) to pick up any fluff or marks that have been left. If you do this regularly, your upholstered product will remain in the best condition

NEVER use water to clean fabric – use a dry cloth to remove surface moisture
Always dab the affected area, do NOT rub

It is always advisable to use a specialist upholstery dry cleaner
For best results with more stubborn stains, use a reputable specialist dry cleaning service

Do not drag your upholstery as it may damage the joints and mark your floor
Avoid sharp objects

Indoor use only
