CARING FOR YOUR UPHOLSTERED FURNITURE

To ensure that your upholstered furniture is kept in pristine condition use a lint roller to pick up any fluff or marks that have been left. If you do this regularly, your upholstered product will remain in the best condition

NEVER use water to clean fabric – use a dry cloth to remove surface moisture. Always dab the affected area, do NOT rub

It is always advisable to use a specialist upholstery dry cleaner
For best results with more stubborn stains, use a reputable specialist dry cleaning service

Dust the wooden legs with furniture polish and a cloth.
Please be careful not to get polish on the fabric as this may cause staining

Do not drag your upholstery as it may damage the joints and mark your floor

Do not overload storage area. Maximum internal load 50kgs
Ensure weight is evenly distributed within the ottoman

Avoid sharp objects
Domestic use only

Please retain this information for future reference
